

A HUNT IN The Village

Friends and family members collaborated to form teams and get dressed up in their best costumes for the scavenger hunt, A Tour of the Village, hosted by Carlsbad Causes for Community (C3) in Carlsbad Village. Thirteen teams competed against one another to find hidden Village treasures. The three teams with the highest scores won Visit the Village prize packages which consisted of gift certificates and products donated by Village Merchants.

According to Deb Ferraro, C3 Vice President, "The most exciting part of the hunt was that we were able to introduce so many people to the new Village businesses and improvements. And people had so much fun!" ■
