

# C3 Pillars

## CARLSBAD CAUSES FOR COMMUNITY (C3) SUPPORTS OUR COMMUNITY

**C3** is a Carlsbad team. Their foundation rests firmly on three, strong pillars: Carlsbad, Causes, and Community. C3 is a team of local merchants and individuals who work together to raise money for various community causes by organizing and implementing events and projects that serve the community of Carlsbad. C3 focuses on providing athletic, social, recreational, and wellness services and activities for those who live, work, and play here.

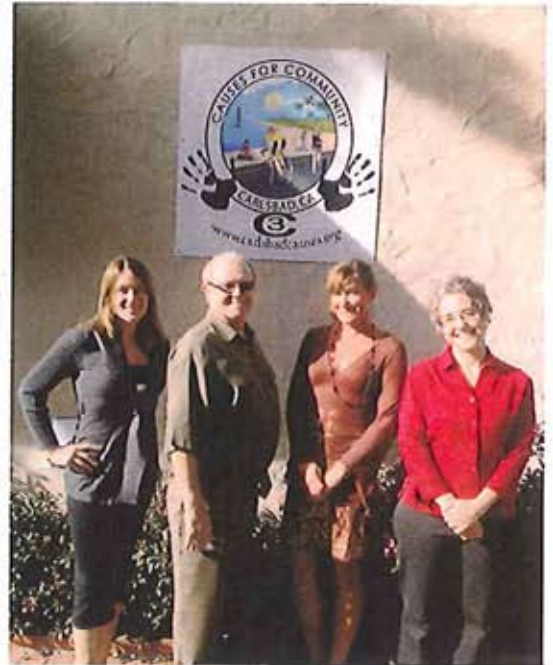

Some of the past events C3 has organized include Halloween in the Village, the Fairy Tale Formal Ball, and Nesha's Breast Cancer Battle Fund to help support their neighbor Nesha's fight against cancer. The team is currently hard at work focusing on their upcoming event, the Village Scavenger Hunt.

C3 recently put on Team Carlsbad to walk the 1.5 mile MS Walk at Legoland. Not

only did Team Carlsbad help raise money to fight MS, but they also raised awareness about upcoming C3 events in the Village and offered "Visit the Village" local merchant deals.

Also, make sure to get your walking shoes ready for their scavenger hunts during the weekend of May 30. C3 has prepared two fun-filled, wacky hunts for kids and adults alike to explore and compete in. Whether you are a first year scavenger hunt rookie or a seasoned professional, C3 invites all Carlsbad residents to come explore the Village.
